

Duck, Swan, & Goose

Diego Duck, Susie Swan, and Gina Goose are the best of friends. This trio of birds spends their days at the local pond. They love honking, quacking, and whooping about the news of the day and what's happening with their Animal House friends. Diego, Susie and Gina keep fit by swimming. In fact, the three of them belong to Critterville High School's Synchronized Swim Team. They are working hard to win the District title so they can advance to this year's State Competition. They also love water aerobics and partake in a class with the pond's other birds every Monday and Wednesday.
