

Leonardo Lion

Leonardo the Lion is a famous movie star. You might remember him from his critically acclaimed performance in the "Meowing Pains." After winning a coveted Golden Critter award, he moved to Pacific Northwest to get away from the spotlight. All the rain has taken some time to get used to, but Leonardo recently started light therapy to deal with gray days. He's really hoping to meet a down-to-earth lioness who can look beyond his fierce soul. He'd love to settle down and become a cub dad! You can often find Leonardo sipping coffee and trying not to roar too loud at a local coffee shop.
