

Lorenzo the Llama

Lorenzo the Llama has big dreams of becoming a world famous comedian. Known by his Animal House pals as the funny guy since he was just a wee llama, he's never been one short on words. He loves throwing a quick quip out there, along with a little spit on the side. You can find Lorenzo at the local comedy club on most Friday nights, telling jokes to the crowds. (A word to the wise? Don't sit in the front row if Lorenzo is on the stage!) He knows that his big break will come someday.
