

# Penny and Parker Pig

Penny & Parker Pig are brother and sister! They live on Farmer Fred's farm, along with a number of Animal House critters! They are your typical brother and sister. They love each other to pieces, but they tease each other a lot! Of course, if any of the other critters teases one of them, Parker and Penny will jump to each other's defense. They both attend Critterville High School, where Parker is on the soccer team & Penny is in the drama club.
