

Sammy the Squirrel

Sammy the Squirrel is an energetic, furry little guy. He's friendly as can be. You should know though that he is a bit of a survivalist, spending most of his days roaming around his neighborhood, looking for nuts to bury away for a rainy day. When Sammy's taking a rare break from his nut hunting adventures, he's watching a baseball game or throwing peanuts around the yard with his squirrel friends. He also likes spending time chatting with his best friend Ernie the Worm.
