

Zsa Zsa the Owl

Zsa Zsa is one classy owl. Originally from the south of France, Zsa Zsa lives in the heart of Portland. She's traveled the world and loves art museums, good food, fine wine and just plain being marvelous! She has discerning tastes, and is an advocate of "hooting" your own tune. She is very, very wise. Young critters could learn from her and her unique ways.

Owl, Zsa Zsa
