

Phyllis & Finn Fish

Phyllis and Finn are a totally fin-tastic friends. These two have been swimming together since they were just wee ones. Their lives crossed paths at the County Fair when little Bobby tossed a dime and it landed on a target. And just like that, the two of them came to live with him. They are real fitness fin-actics as their favorite past time is splashing around. They also love schooling each other up on the news of the day.
