

Mixin' Up Interactive Card

To make the popup for the inside of the card:

1. Cut an 8 ½ x 5 ½ piece of paper.
2. Fold it in half to make a 4 ½ x 5 ½ piece.
3. With the folded edge at the top, measure in 1 ½" from the left edge. From the folded edge cut down 2".
4. With the folded edge at the top, measure in 2" from the left edge. From the folded edge cut down 2". (This cut will be ½" from the cut you made in step 3.)
5. With the folded edge at the top, measure in 3 ½" from the left edge. From the folded edge cut down 1 ¾". (This cut will be 1 ½" from the cut you made in step 4.)
6. With the folded edge at the top, measure in 4" from the left edge. From the folded edge cut down 1 ¾". (This cut will be ½" from the cut you made in step 5.)
7. OPTIONAL: Cut this piece down. By cutting the piece down, your card base will show around it. Shelley cut 3/8" off the left edge, right edge, and bottom edge. DO NOT CUT off the edge that is folded.
8. Open up the folded piece.
9. Push the popup sections in toward the center of the card.
10. Adhere it to the inside of the card. DO NOT put adhesive on the pop-up sections.
11. Add the pieces you want to popup!
